

What is CLM? Our Mission Stmt.

We are an outreach ministry of McFarland Lutheran Church to young children and families in McFarland and surrounding communities. We believe academic growth evolves through Christian care, worship, music, art, play, sharing and story. Our preschool and child care embody a Christian atmosphere of love, acceptance, and forgiveness of each child.

Philosophy

We provide a nurturing, comfortable environment that is structured to meet the needs of the whole child. Our programs are rooted in the belief that each child is a special gift from God. We believe that children learn by doing. Active play and learning are essential parts of our programming.

Professionalism

CLM is licensed by the State of Wisconsin and are members of The Evangelical Lutheran Education Assoc.

The staff is highly qualified and committed to providing each child and family with respect. All have the required training: CPR/1st Aid, Shaken Baby and Abuse and Neglect. Additionally, all staff meet state education requirements and attend continuing education as required.
