

Care of Creation Meeting

April 21,2015

Present – Dawn Bolstad, Ginny Dodson, Wes Licht, Barb Voelker

Regrets- Kelsy Boyd, Diane Wells

First Communion Students- Dawn and Barb will assist making communion wafers April 25 and Dawn, Wes and possibly Ginny will assist May 2. Meet around 9 am.

We will not make wafers May 8 since the students will have made them.

Canoe trip- June 27-Saturday will be the date for the canoe trip. We will take the route from Lake Kegonsa to Stoughton. We will plan breakfast in the FLC at 8am and start canoeing around 9am. Dawn will check if the FLC is available June 27 in the morning. Dawn will let Chris Landerud know about the date.

Barb brought up an article and an encounter she had with a person that is encouraging people to plant milkweed to help out monarch butterflies. Wes said we have 2 types of milkweed in the prairie already but we could add more or plant some in the wheat plot area. The person she talked to was going to bring info to the church. Barb was going to see if she could get milkweed seeds.

Community garden- The ground has been quite dry so when the weather warms up a little we will rototill the garden. Wes is unavailable this next week Monday and Tuesday. We will wait to see what the weather is like and will plan for possible dates of May 29 or May30, probably in the morning. Wes will reserve the rototiller at True Value for the date that will work. We should try to rake the straw and even out the soil before we till. Dawn was thinking Monday or Tuesday. She will send out an email or phone folks when plans to work on raking.

Next meeting- Tuesday, May 18
